

What's happening in Year Four?

During this half term we will be exploring the exciting theme
Can I tell you about Europe?

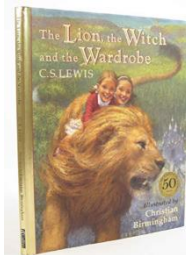

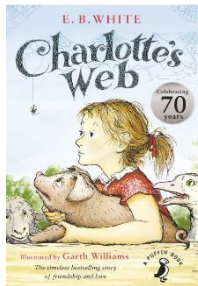

During English lessons, we will be looking at different characters and looking at what we need to include to write a good character description. We are going to be reading the book 'Charlotte's Web' and using this as well as scenes from 'The Lion, the Witch and the Wardrobe' to help us write amazing fantasy stories. We will look at what features we need to include.

In French we shall be learning all about things in the classroom. We will be seeing if the children can use this in everyday life.

In Maths we will focus on: multiplying and dividing by 10 and 100 and how we can use known facts to help us work out the answer. We will also start to look at co-ordinates and how to move shapes on a grid. We will also be spending a lot of time working on the children's fluency of their times tables.

Please remember to help your child with learning their multiplication tables. By the end of Year 4, children are expected to know all their times tables.

As part of our Art and Design, we will investigate the work of different European artists and attempt to represent their individual styles.

In Geography the children will be learning all about Europe. They will be seeing where we live in relation to other countries. They will also look at the different climates that can be found on the continent and what manmade and natural features Europe has. We will be looking at many different types of maps.

In Science the children will be leaning about animals including humans, the digestive system, our teeth and food chains. This will include an exciting workshop about digestion.

We ask that you support your child by continuing to hear them read each day at home and ask them questions about what they have read to ensure they have understood. Thank you!

In PSHE children shall be continuing to develop their understanding of online safety and how to stay safe online. They will look at different ways to stay safe and who they can talk to if they see or encounter danger online.

The children will continue to have PE and forest school every Thursday so please remember to ensure kit comes into school each Monday for the week ahead. Please provide them with the correct school PE kit (red t-shirt and black shorts; tracksuits can be worn in colder weather). Please ensure it is **ALL NAMED** clearly. Also, a reminder to send in a pair of labelled wellington boots to leave in school.

Important Days

P.E: Thursday

THANK YOU!
